Answer FOUR questions only.  
All questions are of equal weighting

1. "If language learning is to take place, there must be sufficient opportunities for participation and practice in class". Give an example and discuss in details the activity to justify the above statement.
2. Discuss the various types of tests and the purposes and uses of each type.
3. "In a dialogue, expertly written, the informal language is learned in an immediately useful form: a form which the student can practice by turning to his neighbour, or apply in contacts outside the classroom. Everything in the dialogue is meaningful and relevant to the situation of his everyday life."

(W.M. Rivers, 1968)

Do you agree with the above statement?
