# TIMETABLE AT A GLANCE

SUNDAY, JUNE 28, 2009

10:00	Registration Opens Hall K:
15:00-18:00	Welcome Address & Lectures Followed by the Welcome Reception in the Registration Area – Supported by the City of Gothenburg

MONDAY, JUNE 29, 2009

	Hall G2	Hall G3	Hall G4	Hall H1	Hall J1	Hall J2	Hall K
08:30-09:25							Plenary Lecture
09:30-10:30	Symposium: Extremophiles	Symposium: Trends in Vaccine Development- Novel Approaches and Targets	Symposium: Gene evolution	Symposium: Lyme Borreliosis: Outstanding Problems in Management and Prevention	Special Event: Defining Phyla Within Prokaryotes (The Bergey's Trust)	Symposium: Plant/microbe Interactions	Symposium: Viral Outbreaks in the 21st Century
10:30-11:00	Coffee Break, Poster and Exhibition Visit						
11:00-12:00	Symposia (Continued)				Special Event: (Continued)	Symposia (Continued)	
12:00-14:30	Lunch, Poster Discussion Groups and Special Events						
13:00-14:00	FEMS Grantees Reception on the Bryggan Bridge – By Invitation Only						
13:00-14:30	Poster Discussion Group: Aquatic Microbial Virulence	Poster Discussion Group: Pathogenesis, Host Sus- ceptibility and Response to microbial challenges	Poster Discussion Group: Biofilms in Ecology and Medicine	Poster Discussion Group: Vector-borne Human Pathogens	Round Table:13:00-14:00 Defining Phyla Within Prokaryotes (The Bergey's Trust)	Poster Discussion Group: New Approaches to Typing of Bacteria	Sponsored Satellite Symposium by Danone: 12:45-14:25 Microbes for Health Microbiota
14:30-15:30	Workshop: Differential gene expression in bacterial populations	Workshop: Secondary metabolites, antibiotics and molecular signals	Workshop: Endosymbionts	Workshop: Advances in Pollutant Degradation	Special Event: Defining Phyla Within Prokaryotes (The Bergey's Trust)	Workshop: Chemolithotrophy	Workshop: <i>Helicobacter</i> and <i>Campylobacter</i>
15:30-16:00	Coffee Break, Poster and Exhibition Visit						
16:00-17:00	Workshops: (Continued)				Workshops: (Continued)		
17:00							Inauguration of European Academy of Microbiology Followed by a Reception

TUESDAY, JUNE 30, 2009

	Hall G2	Hall G3	Hall G4	Hall H1	Hall J1	Hall J2	Hall K
08:30-09:25							Plenary Lecture
09:30-10:30	<b>Symposium:</b> Microbes and alternative energy sources	<b>Symposium:</b> Biosafety in Europe - "A joint event between FEMS and the European BioSafety Association"	<b>Symposium:</b> Environmental Metagenomics	<b>ESCMID-FEMS Symposium:</b> Molecular Methods for Diagnosis of Infective Agents	<b>Symposium:</b> Microbial substructures	<b>Symposium:</b> Bio-nanomachines (cytoskeletons, self assembly and self replication)	<b>ASM-FEMS Symposium:</b> The challenge of antibiotic resistance
10:30-11:00	Coffee Break, Poster and Exhibition Visit						
11:00-12:00	Symposia (Continued from morning session)						
12:00-14:30	Lunch Break, Poster Discussion Groups and Special Activities						
	Poster Discussion Groups: 13:00 - 14:30						
	<b>Special Event:</b> 12:30-14:30 Computational Microbiology	<b>Special Event:</b> 12:30-14:30 Publications workshop "Publications; at the heart of FEMS"	<b>Round Table:</b> 13:00-14:00 Microbiology Education	<b>Poster Discussion Group:</b> Food Microbiology	<b>Poster Discussion Group:</b> Global Regulatory Networks	<b>Poster Discussion Group:</b> Microbial Diversity and Taxonomy	<b>Poster Discussion Group:</b> Microbes and Alternative Energy Sources
14:30-15:30	<b>Workshop:</b> Filamentous and Non-filamentous Fungi in Disease	<b>Special Event:</b> 14:45-17:00 Microbiology graduate students and postdocs - Making the most of PhD and Post-doctoral years	<b>Symposium:</b> Mini Symposia on Education in Microbiology	<b>Workshop:</b> Pathogenicity islands	<b>Workshop:</b> Small RNAs	<b>Workshop:</b> Microbiology of marine ecosystems	<b>Workshop:</b> Viral Infections and Host Genetics
15:30-16:00	Coffee Break, Poster and Exhibition Visit						
16:00-17:00	<b>Workshop:</b> (Continued)	<b>Special Event:</b> (Continued)	<b>Symposium:</b> (Continued)	<b>Workshops: (Continued)</b>			

XXXXV

### WEDNESDAY, JULY 1, 2009

	Hall G2	Hall G3	Hall G4	Hall H1	Hall J1	Hall J2	Hall K
08:30-09:25							Plenary Lecture
09:30-10:30	ISME-FEMS Symposium: Biofilms in Ecology and Medicine	Special Event: The Jorgen Lehman and Gerhard Domagk Symposium on Tuberculosis Mycobacterium tuberculosis persistence, latency, and drug tolerance	Symposium: Food microbiology	Symposium: Cellular Microbiology	Symposium: Global regulatory networks		Symposium: Metagenomics of the Human Body
10:30-11:00	10:30-11:00 Coffee Break, Poster and Exhibition Visit						
11:00-12:00	Symposium: (Continued)	Special Event (Continued)	Symposia (Continued)		Special Event: 11:30-12:45 ECCO - European Culture Collection Organization Microbial Diversity, Genomics, Methods and Microbial Commons for Interaction Within the Research Community ECCO Poster Session in the Poster Area		Symposium (Continued from earlier session) : 11:00-12:00
12:00-14:30	Lunch Break, Poster Discussion Groups and Special Activities						
13:00-14:30	Poster Discussion Group: Environmental Metagenomics	Special Event (Continued): Round Table discussion - "Is it time to regroup, rethink and revamp our approach against Tuberculosis?"	Poster Discussion Group: Secondary Metabolites, Antibiotics and Molecular Signals	Meet the Expert Lunch Session: Sponsored by Eurofins MWG Operon (12:30-13:30)	Poster Discussion Group: Antimicrobial Resistance	Special Event: Continued: (12:45) ECCO: Service collections, microbial diversity, genomics and microbial commons for interactions within the research community	Poster Discussion Group: Emerging Diseases
14:30-15:30	Workshop: What's new in Pathogenomics? Organised by: Network of Excellence "EuroPathoGenomics"/ ERA-NET "PathoGenoMics" ERA-Net Pathogenomics Awards	Special Event (Continued): 14:30-15:30 The Jorgen Lehman and Gerhard Domagk Symposium on Tuberculosis Workshop: Mycobacterium tuberculosis	Workshop: Waterborne Pathogens	Workshop: Uropathogenic Escherichia coli: the good guys and the bad guys	Workshop: Microbial infections of aquatic animals	Special Event (Continued): (15:00-16:00) Expanded ECCO Supplement - Oral Presentations	
15:30-16:00	15:30-16:00 Coffee Break, Poster and Exhibition Visit						
16:00-17:00	Workshop: (Continued)	Special Event (Continued): (15:30-17:00)	Workshops (Continued)				
	Midsummer's Night Party at 20:00						

XXXX

## THURSDAY, JULY 2, 2009

	Hall G2	Hall G3	Hall G4	Hall H1	Hall J1	Hall J2	Hall K
09:00-10:00	<b>Symposium:</b> Microbial pathogens, host susceptibility and response.	<b>Symposium:</b> Emerging and Re- emerging Diseases	<b>Symposium:</b> Population genomics and evolution of human pathogens	<b>Symposium:</b> Microbial diversity: Sponsored by an unrestricted Education Grant from Elsevier		<b>Symposium:</b> Filamentous and Non- filamentous Fungi in Biotechnology	<b>Symposium:</b> Secretion
10:00-10:15	Coffee Break						
10:15-11:15	Symposia (Continued)				Symposia (Continued)		
11:15-11:45	Coffee Break						
11:45-13:30	Hall K - Closing Lecture: Lwoff Award followed by Awards and Closing Ceremony						

II/XXXVII
