TEKS A

A contract is discharged by frustration if, during the currency of the contract, further performance becomes illegal. A clear example of this principle is that a contract is frustrated if legislation (including delegated legislation) is passed after the contract was made, which renders it illegal. Another example is where the outbreak of war means that further performance of a contract would amount to “trading with the enemy.”

As with destruction of the subject-matter, so with illegality, it is sufficient if the “object of the exercise” is defeated; the fact that some minor part of the contract could still be performed does not save it from frustration.

- [b] Terjemahkan TEKS B ke dalam bahasa Inggeris.

TEKS B

Adalah menjadi suatu kenyataan bahawa Mahkamah mempunyai kuasa mentafsir undang-undang bertulis, dan laporan undang-undang mengandungi banyak contoh yang menunjukkan bahawa Mahkamah melakukan sedemikian. Menurut kuasa seksyen 2, Ordinan Perlembagaan Persekutuan, 1957, Perlembagaan Persekutuan mempunyai kuatkuasa undang-undang. Oleh sebab ia adalah sesuatu yang bertulis, maka ia adalah undang-undang bertulis; oleh itu, Mahkamah mempunyai kuasa mentafsirkannya. Perlembagaan Persekutuan tidak mempunyai apa-apa persamaan dengan fasal 153 Perjanjian Persekutuan Tanah Melayu, 1948 yang dengan nyata meletakkan kuasa mentafsirkan perjanjian itu kepada suatu Tribunal Pentafsiran, dan tribunal itu telah bersidang hanya sekali sahaja dalam kes yang berkenaan dengan *Pengambilan Tanah oleh Kerajaan Negeri Selangor*.
