Masa : 3 jam

Sila pastikan bahawa kertas peperiksaan ini mengandungi **LIMA [5]** soalan di dalam **EMPAT [4]** muka surat yang bercetak sebelum anda memulakan peperiksaan ini.

Jawab **TIGA [3]** soalan sahaja.

1. Apakah ciri-ciri utama karya agung? Dengan merujuk kepada contoh-contoh yang bersesuaian, jelaskan bagaimana anda boleh kaitkan ilmu Kesusasteraan Bandingan dengan unsur-unsur kesarwajagatan dalam karya sastera, terutama karya agung, dari tradisi budaya yang berbeza-beza.
2. Dengan merujuk kepada sejarah perhubungan sastera dan persoalan pandangan dunia serta citarasa penyair, jelaskan bagaimana pantun Melayu mempengaruhi tradisi puisi Barat sehingga wujudnya *pantoum* sejak abad ke-19. Dari pemerhatian umum anda terhadap karya-karya *pantoum* dalam sastera Perancis, Inggeris, Amerika dan Kanada, bandingkan ciri-ciri formal *pantoum* dengan pantun.
3. Huraikan unsur-unsur budaya dan kepercayaan masyarakat yang telah digambarkan menerusi cerita "Devi", dalam versi cerpen dan juga dalam versi filemnya. Pada pendapat anda, adakah teknik-teknik khusus yang digunakan dalam setiap ekspresi seni yang berkenaan berjaya dimanfaatkan bagi meninggalkan kesan yang bersesuaian pada khalayak masing-masing?

4. Dalam kajian sastera mistik, *Stoffgeschichte* atau tematologi dapat menyerlahkan persamaan dalam tema-tema kerohanian, khususnya dalam menampilkan perhubungan cinta di antara jiwa manusia dengan Tuhan. Pada masa yang sama, *Stoffgeschichte* juga memperlihatkan perbezaan dalam cara mengungkapkan perhubungan ini, yakni mengikut budaya dan pandangan dunia pengarang masing-masing. Bincangkan pernyataan ini dengan merujuk kepada dua karya pilihan anda, daripada dua tradisi sastera yang berbeza.
5. (*In a post-colonial context the problematic of translation becomes a significant site for raising questions of representation, power, and historicity. The context is one of contesting and contested stories attempting to account for, to recount, the asymmetry and inequality of relations between peoples, races, languages*) (Tejaswini Niranjana).

Dalam konteks wacana pascakolonial yang dirujuk ini, bincangkan unsur-unsur ekstrinsik dan intrinsik karya asal *Salina* dan terjemahan-terjemahan Inggerisnya secara bandingan. Petikan-petikan dalam Lampiran A boleh digunakan untuk mengukuhkan jawapan anda.

Di tempat mengambil air sembahyang, dua tiga orang sudah mula mencuci muka, tangan dan kakinya, dan seorang dua yang lain menanti gilirannya pula.	<i>There were only four taps for ritual purification. People waited while others washed their hands, face and feet.</i>	<i>At the place where people normally performed their ablutions, two or three people had already begun to wash their faces, hands and legs; one or two others were awaiting their turn.</i>
Kolam tempat mengambil air sembahyang itu mempunyai empat paip air sahaja. Mereka terpaksa menunggu giliran masing-masing sewaktu mengambil air sembahyang	(dinggalkan)	<i>The pool where people would go for their ablutions had only four taps. They had to wait for their turn</i>

People in the '50s, after the war, had undergone a certain kind of life full of misery. Most people today don't realise the effect of Hindi songs - the beat, the rhythm, the music - it lifts your heart. You see the film, you see the dance, the scenery changes, they sing a song, they change clothes seven or eight times, going uphill, downhill, you see the rivers. All that ... makes you happy, it makes you forget.

(A. Samad Said, 24 June 1996)

Twenty years later I would probably translate it exactly as it is. That would be as daring as the version I did earlier. DBP didn't give me that choice. They simply asked another translator to produce a new version. Not very courteous of them.

(Harry Aveling, 14 July 1997).

... the story of Salina brought memories of my own experiences during the war - the hardships and sufferings families had to face. What happened to Salina was nothing new. I personally know at least two who became the victim of circumstances like Salina. I am not inclined to throw any blame on the way life turned out for them ... Salina had no choice in what she did. I could understand her - I might have done the same if I were her. You know I got very emotional when I was translating, I could feel what she felt.

(Hawa Abdullah, 12 Ogos 1996).
