SABAH DOCUMENT of 21 November, 1889

Letter from the Foreign Office to the Colonial Office

(Immediate)

Under Secretary of State
Colonial Office

Foreign Office

November 21, 1889.

Sir,

I am directed by the Marquis of Salisbury to acknowledge the receipt of your letter of the 9th instant, in which reference is made to your previous letters of the 31st of July, 16th of September, and 29th ultimo, relative to the arrangements for the administration of the Government of Labuan and for the future performance of consular duties in Borneo.

I am to request you to inform Secretary Lord Knutsford that it has been found necessary that the removal of Mr. Leys from his Post as Administer of Labuan, Consul of Sarawak, and Consul General in Brunei, should be definitely settled before the proposed new Consular arrangements in Borneo are proceeded with.

It is further proposed not to carry out the appointment of the Governor of the Straits Settlements as High Commissioner and Consul General for North Borneo before the 1st of January next, when the services of Mr. Hamilton as acting Consul General in Brunei will have ceased.

With regard to the proposal that the officer of the British North Borneo Company who is to be charged with the administration of Labuan should also be appointed British Consul or Vice Consul for the Company's Territory and for Brunei, Lord Salisbury considers it important that Her Majesty's Consul for Brunei should be an independent officer, whose impartiality could not be doubted in any question which may arise between the Company on the one hand and Brunei and Sarawak on the other. His Lordship is, therefore, of opinion that it would not be desirable to accede to the wishes of the Company in this respect, and that it will be best to adhere to the arrangement contemplated, namely to appoint a Consul, who shall be equally independent of the Company and the Raja of Sarawak, with Commissions for the three Protected States, under the Superintendence of Her Majesty's Consul General at Singapore.

I am to add that His Lordship concurs in the proposed instruction to Mr. Hamilton that, on leaving the Colony, he should remove the Consular Archives and hand them over to the care of Sir C. Smith at Singapore, and that the British Consular Agent at Brunei should be instructed to correspond with the latter officer direct.

I am, Sir,

Your most obedient,
humble servant,
